Tēnā koutou whānau,

Maths PLD

Ka nui te mahi i te kura i ēnei wiki 3 me te 4. Term 3 is always a busy term for activities in and out of the kura. We have been continuing our school wide maths programme with Whaea Alison Robinson. She has been working with the teachers in each room and modelling how we can use maths skills in our daily lives.

Roller Mills Success

We would like to acknowledge the following boys for trialling for Roller Mills from our area. Kenneth Tua, Damian Flavell, Nathaniel Niuloa, TeMana Nordstrom and Falcon Anderson. Congratulations to Kenneth, Damian and Nathaniel who made the 2019 squad. We are super proud of you boys.

Northland Rugby 7's

Our year 7&8 students competed in the Northland 7's day in Hikurangi this week. We played Okaihau, Wellsford, Rawene and Otamatea in the pool stages and Te KKM o Kaikohe in the final. We lost 20-15 to kura in the final. A successful day and a big thanks to our 3 managers Kawiti, Manaia and Jackson.

Raised gardens with Bunnings Warehouse

Bunnings Warehouse kaimahi Haki Himiona and Caroline helped coordinate our maintenance team of Boedi, Gideon, Parao, Manaia, Kawiti, Jackson, Nevaeh and Alex who measured, cut, nailed and then filled with soil the four planter boxes for our garden to table programme. Each class now has a raised garden to maintain and we will get some valuable practical learning outside of the classroom started. Hopefully some delicious vegetables to eat also.

Kapa Haka practices

We have continued the learning of our kapa haka bracket for Waitaruke. A huge mihi going out to Whaea Char who has been teaching us the kupu and the mahi a ringa for those waiata. The boys are making good progress with our haka as well. Mahi tonu tātou.
