

# Matauri Bay School

Matauri Bay School will deliver a supportive interactive learning environment where all are challenged to fulfill their potential in the world.

## Newsletter Week 5 Term 3 2020

### **Principal Kōrero**

#### ***Tēnā koutou whānau,***

Our term is well underway. Reports, parent interviews and whānau hui took place in weeks one and two. It was great for parents to meet teachers and discuss the learning results. It's a good time to take stock, setting new goals to be achieved by the end of the year. The Infinity map which we sent home with reports, looked at the important factors in the lockdown learning. It showed just how important parents and siblings are in the learning of students, especially during the lockdown.

A group of 15 students took part in a pōwhiri practice at Hato Hohepa this week. A pōwhiri and hui to unveil Te Aho Ngarahu - Whangaroa Digital Stories written and told by te iwi ō Whangaroa was planned for August 21st. Due to our return to Level 2 with Covid 19, we look forward to this kaupapa taking place on a future date, yet to be determined.

We have started preparing for our annual winter sports, to be held on Tuesday 22nd September. We welcome Bay of Islands International Academy to our event for this year. We are looking to host the event at the Kerikeri sports complex to better cater for the number of teams, games and parking. Thanks to those who have offered to provide kai for our fundraiser. With developments in the COVID-19 situation this may affect this event taking place. Unfortunately, many of our annual sports events have been disrupted or cancelled this year. We appreciate the dedication of those practising and preparing for them nonetheless.

With the announcement that Level 2 COVID-19 restrictions will begin from 12 noon on Wednesday 12 August. This continues to Wednesday 26th August at this stage. Please remember that this means that

1. Parents must sign in using the school app or contact tracing app.
2. Parents may not enter classrooms when picking up your child. You are encouraged to drop your child at the gate to ensure level 2 COVID-19 compliance
3. If you enter the site by vehicle. Staff will direct you and your child will be brought out to the car.
4. If your child has flu-like symptoms or fever please let us know and keep them at home.
5. Masks are not compulsory, but we will try to use them as much as possible at school.

We appreciate your cooperation and patience during this time. We are proud of the way whānau, staff and our tamariki have been working together
